After fainting each card, allow the class to be sorted into groups, then spend some time discussing each verse. When I say go, look at John 17: 3. God's word is clear about how ³ we should treat His name. The student on your right must first say the name and make the movement of the person on your left, and then make your name and move. See if you can do it all around the circle and change the order of the circle several times to keep it interesting. If you have more students' than cards, the children can join or you can pass several letters of the same verse. Each series is flexible enough for a large age group and affordable enough for small churches. knows everything about us and, my friends, loves us very much. Then, the next person repeats the name and movement of the person to the right before making theirs, and so on until everyone has had a turn. I'm the SeÁzor, your enemies misuse your name." Psalm 139: 20 "You are very proud to know the law, but you dishonor God by breaking it. Choose your favorite name by browsing the list on the website and find the name that interests you most. For the second round, as it circles the circle, each student must repeat the name and movement of everyone who has gone before them, in the right order.
